Subject: Connect for Success - Denver site visits

Hi all,

You will be seeing emails coming from Tina about our CfS site visits. Essentially we are impacted by the DPS teacher strike and need to identify some possible days if it is not resolved prior tp our scheduled day.

We also may have the one or two schools who haven't landed on a date so those may be in there too. Please identify which ones might be options for you and we'll go from there.

Thank you!
Wendy
